PRODUCTION TIME:

Production times start after all goods have been received and artwork has been approved. Standard turnaround, 3 - 5 business days
Pricing based on full quantity runs. Back orders are considered a new order.
Rush orders only available if production schedule permits, rush charges may apply.

SPECIFICATIONS AND RECOMMENDATIONS:

For orders printing DTG (Direct to Garment) pieces must be 100% ringspun cotton.

The following brands and items are ones we recommend for this printing process :

SS450 Independent Trading Co - Midweight Hooded Pullover Sweatshirt (100% cotton face)
Next level tees (any style)
District Thread-Very important tee
Bella/ Canvas tees 3001C
Lat6901 tees
Port & Co. PC450
Alternative Apparel 1070

Only triblend proven effective is the Bella Canvas 3413 or its Companions - we do not recommend or guarantee any other triblend for this printing process.

The following brands and colors are ones we don't recommend for this printing process :

Any garment in the colors charcoal or asphalt we don't recommend as these shirts get permanently stained from the pretreat:

Gildan, Hanes, FTL pieces are not recommended and we do not guarantee quality of print.

DTG is a digital process. There is no color matching or Pantone matching available. For special locations (above pockets, over seams and sleeves) call for pricing.
